VERY IMPORTANT NOTE ABOUT PENDING FILE SEARCHES

This search contains results from one or more of the "Pending" databases :

Pending_Patents_AA
Pending_Patents_NA
n-pending
a-pending

Results from these databases have file names with one or both of the following extensions:

.rap .rnp

Results from the "Pending" databases should not be left in the case during prosecution or after the case issues, since they contain pending data that is confidential.
